**NOTICE OF UNLICENSED OPERATION**

Case Number: EB-11-DT-0120  
Document Number: W201132360009

The Detroit Office received information that an unlicensed private land mobile station was operating in the Columbus, Ohio area and causing interference to an amateur station on 438.000 MHz. On August 22, 2011, agents from this office confirmed by direction finding techniques that the radio signals on frequency 438.000 MHz were emanating from your cranes at 459 West 10<sup>th</sup> Avenue, Columbus, Ohio. The Commission's records show that no license was issued for operation of a private land mobile station on 438.000 MHz at this location in Columbus, Ohio.

Radio stations must be licensed by the FCC pursuant to 47 U.S.C. § 301. You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment. (see 47 U.S.C. §§ 401, 501, 503 and 510).

**UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.**

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case and document number. Under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.
